

Homeless Care Package

This list provides ideas for putting together a care package for homeless persons, but need not contain all the items. You can customize packages for men or women. If you have other great ideas to add to this, you can add them on to the list. Please share these additional ideas as a comment to the post “Love is Humble” at livealifeoflove.org to share with others!

- Mouthwash
- Comb
- Soap or travel-size body wash
- Shampoo/conditioner, travel-size
